About The University

Kalasalingam University (Kalasalingam Academy of Research and Education), formerly Arulmigu Kalasalingam College of Engineering (AKCE) was started in a humble way, by Kalasalingam and Anandam Ammal Charities in 1984. "Kalvivalal" Thiru T. Kalasalingam, a veteran freedom fighter, is the founder Chairman of the College and now is the Chancellor of the Kalasalingam University. The University is located at the foot hills of the Western Ghats in a rural setting of Virudhunagar District.

It offers 09 UG courses, 21 PG courses, M.S (Research) and Ph.D programs in various disciplines such as Civil Engineering, Mechanical Engineering, Electrical and Electronics Engineering, Electronics and Communication Engineering, Computer Science and Engineering, Information Technology, Biotechnology, Chemical Engineering, Computer Application, Mathematics, Physics, Chemistry, Humanities and Business Administration. This University is the first institution in India in Engineering offering B.Tech Degree Programme for Speech and Hearing Impaired Students. The University has signed MoU with foreign Universities, research organisations and Industries and Industries with an objective to promote research and development.

About ISTE

Indian society for technical education is a national professional organisation for teachers, students and administrators of various Institutions. ISTE has 775 ISTE Chapters, 735 Student Chapters and 1370 Institutional Members. The objective of the ISTE is to enhance professional ideals and standards, to bring out effective linkage between Institutions and Industry.

About the Faculty Meet

This meet is for faculty members working in Engineering Colleges of Southern Tamilnadu.

Water, Food, Air and Shelter are the primary needs for any living beings, but with the advancements of the Civilization, these demands are enormously increased and their quality & quantity becomes obsolete due to increasing demands. In order to meet out these challenges, a technical discussion on the emerging research areas on these Sub-themes play a vital role in the development of Southern Tamilnadu.

Programme Contents

- Agriculture and Sustainability
- Resource Management
- Education and Health
