| 6. Dr. L. Muthulakshmi           | - Coordinator / CSD                    |

The Vice-Chancellor welcomed all the members for the meeting and appreciated the initiatives by the office of AR and KARE-Center for Sustainable Development.

The SDG in-charges presented their strategic plan. Based on their presentation, the following suggestions were given by the review committee.

**I. Common suggestions to all SDG incharges:**

All the SDG teams may

- Explore more on THE IMPACT 2025 methodology to plan more specifically and consider all the metrics to improve our performance and get more marks.
- Explore Scival more to Identify the faculties, scholars and students working under the particular SDG.
- Compare the keyphrases and metrics of the top ranking institutions (international as well as national level) in their respective SDG publications and promote the same among the researchers under the concerned SDGs and also identify the parameters / metrics for improvement and plan accordingly.

- Related SDG coordinators/incharges may collectively conduct awareness camps to the community people.
- Post the activities in social media and on the University website periodically. Regular reports with photographs can be intimated to [officear@klu.ac.in](mailto:officear@klu.ac.in) to post in website as well as in social media by KARE-CSD.
- Cite our published and granted patents in publications and our own relevant publications while filing patents also.
- Collect the details of activities and data relevant to their SDG and the status as on date. Based on that, an action plan can be prepared.
- Submit a revised action plan of things to be accomplished in the next three and in the next six months to the AR (KARE CSD) office.
- Submit the revised immediate requirements (as per the suggestion given by the review panel) to the AR office for further approval.
