SDG 3: Good Health and Well-Being

Ensure healthy lives and promote well-being
for all at all ages

Annual Report – 2023 to 2024

SDG 3: Good Health and Well-Being aims to ensure healthy lives and promote overall well-being for people of all ages. It focuses on improving physical, mental, and social health by strengthening healthcare access, preventing diseases, promoting healthy lifestyles, and supporting wellbeing initiatives across communities.

Kalasalingam Academy of Research and Education (KARE) actively supports SDG 3 through a wide range of health-focused programs, infrastructure, and community outreach initiatives designed to enhance the well-being of students, staff, and neighbouring communities. The institution provides access to primary healthcare through its on-campus medical centre, which offers regular health check-ups, emergency care, and periodic specialist consultations. First-aid facilities are available in all major buildings, and trained personnel are deployed to respond to emergencies.

KARE places strong emphasis on mental health and emotional well-being through its Counselling and Wellbeing Centre. Professional counsellors provide confidential services for students and staff, addressing issues such as stress, anxiety, academic pressure, and personal challenges. Regular workshops on emotional resilience, mindfulness, and stress management further enhance psychological wellness.

Promoting healthy lifestyles is central to KARE's commitment to SDG 3. The university organizes yoga and fitness sessions, sports events, health awareness campaigns, nutrition workshops, and anti-drug and anti-tobacco programs. Clean and hygienic hostel and dining facilities support the overall wellbeing of the campus community.

In alignment with community development objectives, KARE conducts outreach activities such as medical camps, blood donation drives, menstrual hygiene awareness programs, and public health education in nearby villages. These initiatives empower the local community with knowledge on preventive healthcare, sanitation, nutrition, and lifestyle diseases.

KALASALINGAM

ACADEMY OF RESEARCH AND EDUCATION

(DEEMED TO BE UNIVERSITY)

Under sec. 3 of UGC Act 1956. Accredited by NAAC with "A++" Grade

Academic programs in health sciences, biotechnology, agriculture, and psychology incorporate SDG 3 themes through curriculum and research projects focusing on health innovation, disease prevention, and wellbeing studies.

Through sustained efforts in healthcare access, mental health support, wellness promotion, and community engagement, KARE demonstrates a strong commitment to advancing SDG 3: Good Health and Well-Being, fostering a healthier and more resilient campus and society.

SDG 3: Research Metrics (SciVal)

Relative Activity

The Relative Activity Index is defined as the share of an Institution's Scholarly Output in a SDG relative to the worldwide share of Scholarly Output in that same SDG.

Collaboration with Health Institutions

Our university students are engaged in hands-on internships at the following hospitals, which provide them with real-world clinical experience and the opportunity to apply their classroom learning to practical scenarios.

Our faculty members are actively collaborating with doctors, specialists, and researchers at our partner hospitals to advance medical knowledge and contribute to the growing body of healthcare

Healthcare Sectors Providing Datasets for Research Purpose

The following are the hospitals, laboratories, diagnostic scan centers who are assisting in obtaining the healthcare data

1. Tamil Nadu Government Multi Super Speciality Hospital, Omandurar Estate, Chennai, Tamilnadu. – Osteoporosis DEXA images
2. KG Scans, Madurai – Brain tumor, Aneurysm, Kidney stone and etc.
3. Anderson Labs, Chennai – Alzheimer, Brain tumor and etc.

And few more laboratories and hospitals are associated.

MoU between Arulmigu Kalasalingam College of Pharmacy and Kalasalingam Medical College and Hospital:

The Memorandum of Understanding (MoU) between Arulmigu Kalasalingam College of Pharmacy (AKCP) and Kalasalingam Medical College and Hospital (KMCH) establishes a strategic academic and clinical partnership aimed at enhancing collaborative education, research, healthcare delivery, and community welfare initiatives. This MoU facilitates a structured framework that promotes knowledge sharing, interdisciplinary learning, and mutual support between the two institutions.

Health infrastructure facilities for students, academics and administrative staffs' wellbeing inside the campus

Kalasalingam Medical College and Hospital

Description: The institution (Kalasalingam Academy of Research and Education) has a separate Medical College and Hospital which providing free treatment and medicines to the public, students, and faculty is a remarkable initiative. This type of community-centered approach not only enhances access to healthcare but also underscores the role that educational institutions can play in improving public health and social welfare.

Kalasalingam Medical College and Hospital was established in 2021 by the pioneering Kalasalingam Anandam Ammal Charities. Located at the pristine foothills of the scenic Western Ghats. Kalasalingam Medical College and Hospital is a healthcare and medical education institution. It offers medical training and provides a range of healthcare services to the community. The hospital delivers patient care across various specialties.

- Kalasalingam Medical College and Hospital (KMCH) provides 24x7 medical service to the University and to the public.
- In hostel premises, the student can meet the counselors (medical professionals attached with our KMCH) at any time, who are staying inside the hostel.

KALASALINGAM

ACADEMY OF RESEARCH AND EDUCATION

(DEEMED TO BE UNIVERSITY)

Under sec. 3 of UGC Act 1956. Accredited by NAAC with "A++" Grade

- Students can reach their Faculty Advisors (mentors) at any time (within 5 minutes) for any assistance. Through them, they can reach the professional within 20 minutes. Ambulance service is available for any emergency need, 24x7.
- Average waiting time (in days) for students to get an appointment with a health professional - 0 days.
- Doctor's availability: 24 x 7

Medical Awareness Camps

The University, in association with Kalasalingam Medical College and Hospital (KMCH), regularly organizes Medical Awareness Camps in nearby villages as part of its community outreach and public welfare initiatives. These camps aim to improve healthcare access for rural communities and promote early diagnosis of common diseases.

KALASALINGAM

ACADEMY OF RESEARCH AND EDUCATION

(DEEMED TO BE UNIVERSITY)

First aid kits:

First aid kits are strategically placed in all Department Head (HoD) rooms, staff rooms, and laboratories. These kits are accessible for use by both students and faculty members to ensure prompt attention in case of minor injuries, cuts, burns, or other medical emergencies within the campus.

KAFKA Emergency SOS System:

- The KAFKA Emergency SOS System is an emergency device installed within hostel premises.
- It features dedicated buttons for users to instantly relay real-time, accurate information to the appropriate authorities responsible for plumbing, fire safety, or electrical issues.

KALASALINGAM

ACADEMY OF RESEARCH AND EDUCATION

(DEEMED TO BE UNIVERSITY)

Under sec. 3 of UGC Act 1956. Accredited by NAAC with "A++" Grade

- These separate buttons ensure that the correct service can be alerted quickly, enabling faster response and assistance.

CCTV: Closed-Circuit Television (CCTV) cameras are installed at strategic locations across the campus, including entrances, corridors, laboratories, classrooms, parking areas, and other critical zones. The CCTV system continuously monitors activities to ensure the safety and security of students, staff, and campus property. Recorded footage can be used for real-time monitoring, incident investigation, and deterrence of unauthorized or suspicious activities. Regular maintenance and monitoring ensure the system remains functional and effective in enhancing overall campus security.

Fire extinguisher and hydrant:

Fire safety equipment, including fire extinguishers and fire hydrants, is installed at strategic locations throughout the campus to ensure prompt response in case of fire emergencies. Fire extinguishers are placed in classrooms, laboratories, corridors, staff rooms, and other high-risk areas for immediate use against small fires. Fire hydrants, along with a connected water supply system, are installed in accessible outdoor locations to combat larger fires and assist firefighting personnel. Regular inspection and maintenance of these systems are conducted to ensure they remain functional and compliant with safety standards, thereby safeguarding lives and property on campus.

Recognition for Social Development:

Kalasalingam Academy of Research and Education (KARE) has been consistently recognized by various Non-Governmental Organisations (NGOs), Trusts, and Community Welfare Bodies for its significant contributions toward improving community health and promoting social well-being. Through regular medical outreach programs, health awareness initiatives, medical camps, and collaborations with Kalasalingam Medical College & Hospital (KMCH), the University has demonstrated a strong commitment to public service.

Awards/ Medals/ Certificates of appreciation for social development	Date of award received (dd-mmm-yy)	Name of the awarding agency/ entity	Description of the activity for which the award was bestowed (in not more than 100 words)

About Kalasalingam Academy of Research and Education (KARE)

Kalasalingam Academy of Research and Education (KARE) (Deemed to be University) formerly Arumigu Kalasalingam College of Engineering was established in 1984 by Kalivallal Thiru T. Kalasalingam, Founder Chairman who was a freedom fighter & Philanthropist. KARE is located at the pristine foot hills of scenic Western Ghats of southern Tamilnadu. The institution obtained Deemed to be University status in 2006. The institution has been serving the society for thirty nine long years and it caters to the needs of the students from all walks of the society. The institution has been re-accredited by NAAC with 'A' grade with a CGPA of 3.11. Eight UG programmes and Three PG Programmes have been accredited by the NBA under the Tier-1 category of Washington accord. KARE is the only institution in India to simultaneously get accredited by ABET (an international non-profit and non-governmental agency, USA) for 11 programmes.

Subject: Winter dissemination of January 24 Semester Courses among faculty and students for Enrollments and Credit Transfer through SWAYAM – regarding.

Dear Member/ Sir,

As you are aware, SWAYAM Portal, an initiative under the National Mission on Education Through Information and Communication Technology (NMEICT), facilitates hosting of all the courses, taught in classrooms from Class 9th till post-graduation helping students to provide quality courses from experienced faculties from premier institutions. The SWAYAM platform offers a diverse range of MOOCs for students for credit transfer.

2. I sincerely appreciate your active participation in SWAYAM ecosystem which has enabled students of your university for credit transfer for MOOC courses on the SWAYAM platform (www.swayam.gov.in).

3. It is to mention that SWAYAM is offering 1182 courses (list attached) for January 2024 semester and till date more than 8 lakh 30 thousand Enrollments have been made.

4. I request you to create awareness and disseminate information about courses being offered for January 2024 semester, among all faculty members & students of the Universities as well as affiliated colleges.

5. I look forward to your support in this endeavor.

With regards
