### **Kalasalingam Medical College and Hospital:**

Kalasalingam Medical College and Hospital was established in 2021 by the pioneering Kalasalingam Anandam Ammal Charities. Located at the pristine foothills of the scenic Western Ghats, Kalasalingam Medical College and Hospital is a healthcare and medical education institution. It offers medical training and provides a range of healthcare services to the community. The hospital delivers patient care across various specialties.

The healthcare facilities have been actively utilized by the residents of nearby villages, particularly those from disadvantaged backgrounds. These services provide essential medical care and support, helping to address health disparities and improve overall community well-being. By making healthcare more accessible, the facilities play a crucial role in promoting health equity and ensuring that vulnerable populations receive the attention and resources they need.

### **Medical awareness camps:**

The University, in association with **Kalasalingam Medical College and Hospital (KMCH)**, regularly organizes **Medical Awareness Camps** in nearby villages to support community health and promote public welfare. These camps aim to provide accessible healthcare services to rural populations and raise awareness about preventive health practices.
