ABOUT THE UNIVERSITY

Kalasalingam Academy of Research and Education (KARE) was established in 1984 by the pioneering Kalasalingam Anandam Ammal Charities and has been re-accredited by NAAC with an 'A++' grade with a CGPA of 3.51 in 2024. In the recently announced NIRF Rankings 2025, KARE is ranked 28th under the University category, 33rd under the Engineering category, and 48th under the overall category. 12 Engineering programmes (both UG & PG) have been accredited by NBA under Tier 1. 4 B.Tech programmes are accredited by ABET, making KARE unique in India for the number of ABET-accredited courses. The Institution continues to do indefatigable work in offering its services to various Governments and Non-Government research projects. It has received DST funding to establish the National Centre for Advanced Research in Discrete Mathematics. KARE has established a state-of-the-art Research Centre named after Nobel laureate Sir C.V. Raman, which is equipped with high-end instruments for advanced research in Material Sciences and Life Sciences. It has now extended its reach beyond the campus, by offering UG and PG Degree Programmes through Distance and Online Learning.

MESSAGE FROM THE CHANCELLOR

I extend my warm greetings to all aspiring learners exploring the programs offered by the Centre for Distance and Online Education (CDOE) at Kalasalingam Academy of Research and Education.

KARE has always been committed to providing quality, accessible, and industry-relevant education. Through CDOE, we aim to bring flexible learning opportunities to students and working professionals who wish to upgrade their skills without compromising their personal or professional responsibilities.

Our programs are designed by experienced faculty, supported by modern digital platforms, and focused on helping learners achieve meaningful career growth. At KARE, we believe in nurturing not just educated individuals, but responsible and confident contributors to society.

I warmly invite you to join KARE-CDOE and take a significant step toward building a successful and impactful future.

Dr. K. Sridharan
Chancellor - KARE

MESSAGE FROM THE VICE PRESIDENT

I am pleased to welcome all prospective learners to the Centre for Distance and Online Education (CDOE) at Kalasalingam Academy of Research and Education.

At KARE, we are committed to creating learning pathways that meet the needs of today's dynamic world. Through CDOE, we offer flexible, accessible, and industry-aligned programs designed to support learners who aspire to enhance their knowledge and advance their careers while balancing work and personal responsibilities.

Our strong academic foundation, enriched digital learning environment, and dedicated faculty ensure that every learner receives quality education and timely support. We take pride in fostering an environment that encourages growth, innovation, and continuous learning.

I invite you to explore the opportunities offered at KARE-CDOE and take confident steps toward achieving your academic and professional goals.

Dr. S. Shasi Anand

Vice President - KARE

MESSAGE FROM THE VICE CHANCELLOR

I extend my warm wishes to all learners exploring the programs offered by the Centre for Distance and Online Education (CDOE) at Kalasalingam Academy of Research and Education.

KARE has always strived to deliver education that is inclusive, innovative, and relevant to emerging global trends. Through CDOE, we provide flexible learning opportunities that empower students and working professionals to pursue higher education without disrupting their daily commitments.

Our programs are developed with a strong academic foundation, supported by advanced digital platforms, and guided by experienced faculty. We are committed to ensuring that every learner receives quality instruction, timely support, and a fulfilling learning experience.

I welcome you to be a part of KARE-CDOE and take advantage of the opportunities that will help shape your future with confidence and competence.

Dr. S. Narayanan

Vice Chancellor - KARE

PROGRAMS OFFERED

UNDERGRADUATE (UG) PROGRAMS

- **Bachelor of Business Administration (BBA)** - 3 years (OL)
- **Bachelor of Computer Applications (BCA)** - 3 years (OL)
- **Bachelor of Commerce (B.Com.)** - 3 years (OL)

POSTGRADUATE (PG) PROGRAMS

- **Master of Arts in English (MA)** - 2 years (OL)
- **Master of Business Administration (MBA)** - 2 years (OL)
- **Master of Computer Applications (MCA)** - 2 years (OL)
- **Master of Science (Data Science) (M.Sc)** - 2 years (OL)

ELIGIBILITY

UNDERGRADUATE (UG) PROGRAMMES

- **B.B.A** - Pass in 10+2 (any stream) or equivalent from a recognized board.
- **B.C.A** - Pass in 10+2 with Mathematics as one of the subjects OR Pass in 10+3 Diploma (any stream) from a recognized institution.
- **B.Com** - Pass in 10+2 (preferably with Commerce or Accounting background) However, students from any stream are generally eligible.
